SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — Booz Allen & Hamilton of McLean, Va. is being awarded a \$13,512,916 performance-based Indefinite Delivery Indefinite Quantity services contract for technical security engineering and technical program management support services to PMW-C161 and other organizations within the Program Executive Office (C4I & Space), Space and Naval Warfare Systems Command, and Navy Marine Corps Intranet as required to ensure the timely and successful implementation as well as the development of policies/procedures for Information Assurance/Information Operations systems. This contract includes options which, if exercised, would bring the cumulative value of this contract to \$62,440,161. Work will be performed in San Diego, Calif., (90%), Charleston, SC (5%), Norfolk, Va., (2.5%), and Washington D.C. (2.5%) and is expected to be completed by September 2005. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured with one Request for Proposals and three offers received via the SPAWAR E-commerce web site. The Space and Naval Warfare Systems Command, San Diego, CA, is the contracting activity (N00039-05-D-0002).
